- Class activities
- Independence Day
- MPH
- Birthdays

Welcome back to the start of our 2025/2026 school year!

We are happy to share that the new school year is off to a fantastic start! Our classrooms and outdoor spaces have been filled with energy, creativity and fun learning as students settled back into their routines. From engaging lessons to playful activities, it has been a great beginning! A special highlight this month was our Independence Day celebrations, where the whole school came together in the spirit of fun and pride.

We would like to extend a warm welcome our new students and families who have joined us this term—we are so happy to have you as part of our Honeycomb community!

This year is also a milestone for our school, as we officially open our Secondary School with our very first Year 7/8 class. We are excited to see our learning journey continue to grow and look forward to the exciting opportunities this will bring for our students.

UPCOMING EVENTS

* Public Holiday

5th September

Holiday for Maulid Nabi Muhammad.

* Saraswati Ceremony

6th September

All welcome to join our Saraswati ceremony. Please wear traditional Balinese dress for the event.

* Batik Day

June 18, 2026

Students can wear batik clothes to school.

* Parents and Child Teacher Conferences

June 18, 2026

Meetings to discuss student progress.

Bring a Book Back

We would like to say a huge thank you to Arya in Year 3/4 for taking our Bring a Book Back initiative to the extreme! Arya returned to school with an entire suitcase filled with books for our library. What an amazing contribution—thank you, Arya, for helping to grow our collection and share the joy of reading with everyone!

EYFS Department

Nursery - sounds, sizes and smiles!

Our Nursery students have been busy little learners! We discovered the phonic sounds s, a, and t and had fun exploring sizes in Maths—big and small, tall and short. Along the way, we kept our hands and bodies moving with painting, singing, dancing and lots of play. We've also been practising our gross motor and fine motor skills through fun, hands-on activities that keep us growing strong every day!

Early Years Adventures Begin!

What a fantastic first month in Early Years! We have been counting 1 to 10, exploring the letter sounds s, a, and t with songs and games, and enjoying stories like The Three Little Pigs and The Very Hungry Caterpillar. The children also had fun with art, outdoor play, swimming, and PE—all while practising 'sapaan' in Bahasa Indonesia. A great start to our learning journey!

Primary Department

Making smart choices in KS1

In Key Stage 1 this month, children have been building number knowledge through fun activities like number hunts and card challenges. Our inquiry theme, Choices, has been linked to their daily experiences and behaviour. Through discussions and reflections, they have been learning to make thoughtful decisions and be responsible learners.

Stories and creativity in Year 3/4

We have had a great start to the year in Lower Key Stage 2! We have set up our classroom the way we like it, and started making decorations related to what we are learning. There is a big focus on writing personal narratives, and we have found plenty of fun stories to tell each other and write about.

Events

Independence Day Celebrations 🇮🇩

This month we celebrated Indonesia's Independence Day with a fun morning of activities that brought our whole school community together. The children took part in traditional games, such as the lomba makan kerupuk (cracker-eating race), balap balon (balloon race), balap bendera (flag relay), and balap karung (sack race).

There was lots of laughter, cheering, and excitement as students encouraged one another and enjoyed the spirit of friendly competition. These games not only gave everyone plenty of enjoyment but also helped us appreciate the traditions that make Independence Day so special in Indonesia.

News

Our Multi Purpose Hall is almost ready!

Exciting News: Our Multi-Purpose Hall is Almost Ready!

We are delighted to share that the floor of our new Multi-Purpose Hall (MPH) has now been completed, and it will be ready for use very soon. This wonderful new space will host a variety of sports activities for our students, as well as school events and celebrations. We can't wait to see our community come together and make great memories in the MPH!

Happy Birthday!

Happy Birthday to Komang (Year 2) and Felix (Year 7) who celebrated their birthdays in August.
