## Ogoh-Ogoh Presentation & Parade

At the end of Term 3, our school community came together to celebrate Balinese culture through our vibrant Ogoh-Ogoh parade. Students worked collaboratively to design and create their own figures, building creativity, teamwork, and cultural understanding.

The parade was full of energy and excitement, with students proudly showcasing their work. This was followed by class presentations, where students shared their learning about Nyepi and the significance of Ogoh-Ogoh.

Thank you to all the parents who joined us and supported this special event. A meaningful and memorable experience for all, reflecting our commitment to community-connected learning.

## Student-Led Conferences

This month, students took ownership of their learning during our student-led conferences, sharing their progress, achievements, and next steps with their families. It was wonderful to see students reflecting confidently on their learning and celebrating their growth.

Thank you to all parents for your time, support, and engagement in this important part of our learning journey.
